Communication of Rate Contract – Guidelines –Issued.

Ref: G.O.Rt.No.126, AH, DD & F (AH) Dept, Dt.25-6-2015

-oOo-

All the Departmental officers are informed that, Animal Husbandry Department procures Veterinary Drugs & Medicines for supply to the field institutions to take care the Livestock health and prophylactic measures by calling Bi-annual Tenders. A State Level Technical Committee had been constituted with the field officers and also with subject matter Specialists for identification of required Drugs & Medicines keeping in view of the following:

1. Agro-Climatic conditions of the State
2. Disease patterns in different regions of the State
3. Pharmacological properties and action
4. Field level feedback on the efficacy and requirement of Drugs & Medicines

In this regard it is to inform that vide reference cited, Government have constituted Technical and Financial Bid Committees for finalization of Rate Contract. As per the recommendations of the Technical and Financial Bid Committees the Rate Contract has been finalized towards purchase of Drugs & Medicines for the period from **December 2016 to December 2018**.

Further, it is to inform that, several guidelines or instructions have been issued from time to time for purchase of Veterinary Drugs and Medicines under Rate contract system. The experience has shown that providing comprehensive guidelines on the subject will not only brings clarity but also improves the purchasing system. Therefore, the guidelines are once again communicated for better understanding.

1.0: ASSESMENT OF REQUIREMENTS FOR INSTITUTIONS:

- 1.1 The Annual requirements of Hospital necessities of Veterinary Drugs and Medicines for the routine use and prophylactic measures should be worked out based on the type of livestock maintained in the area and type of diseases prevailing in the area. The actual requirements of necessary drugs from the field staff should be obtained and the budgetary provisions made available for the purpose should also be kept in view. The requirements should then be prepared with the stocks on hand.

- 1.2 The District Veterinary and Animal Husbandry Officers will obtain the hospital necessities from the Veterinary Assistant Surgeons / field units and consolidate in the month of April every year for the entire district duly classifying the drugs into general drugs, patent Drugs, drugs for routine use and other necessities. A consolidated category wise indent shall be submitted in prescribed proforma to the Director of Animal Husbandry, Telangana, Hyderabad for technical sanction, to the extent of Budget available within a fortnight from the date of receipt of approved rate contract list.
- 1.3 They are advised to take prompt action to obtain their requirements in respect of different category of drugs to the extent of budget provision well before the closure of financial year. Further, all the District Veterinary and Animal Husbandry Officers are advised to submit their annual indents category wise in consultation with the Veterinary Assistant Surgeons /field units to the extent of budget provision for technical approval within a fortnight from the date of receipt of budget. District Veterinary and Animal Husbandry Officers are also requested to deduct the amount for clearing pending bills if any at the time of preparing consolidated indent.
- 1.4 After receipt of the indents, the proposals will be examined as per the norms and technicality at Head Office level and firm-wise consolidated indents will be prepared for all the districts based on the District Veterinary and Animal Husbandry Officers requirements sent through their technical indent and orders will be placed on approved Rate Contract firm/stockiest directly. The concerned firm will be asked to comply with the orders by dispatching stocks to the locations specified and bills to the respective District Veterinary and Animal Husbandry Officers/Any other Indenting Officers in a period of (45) forty five days from the date of receipt of purchase order in phased manner.
- 1.5 **Penalty for late delivery:** For supplies received after 45 days from the date of receipt of purchase orders, a penalty @ of 0.5 % of the value of goods supplied late will be levied for each day delay or part thereof up to a maximum period of 15 days. The purchase order shall be deemed cancelled for the goods not received at drug store within 60 days of receipt of purchase order. No amount shall be payable for any supply made or supply received at Drug Store after 60 days from the date of receipt of PO.

Director of Animal Husbandry, at its discretion, may extend the time period of 60 days, on the request of supplier, at a penalty of 1.0 % of the value of goods supplied beyond 60 days for each day of delay or part thereof.

If the bidder fails to complete the supply within 60 days, the Director of Animal Husbandry is empowered to make emergency purchases from other participant firms or from open market at the risk of bidder and

claim the difference in total cost from the bidder in addition to other penal action.

- 1.6 After receipt of the stocks, District Veterinary and Animal Husbandry Officers and other budget operating officers should verify the stocks as per the specifications with orders placed by the Head Office duly making stock entry and submit proposal for administrative sanction for effecting payment to the firm. All the budget operating officers of the department are instructed to make necessary entries such as date of receipt of stocks, receipt of sanction orders and date of payment to the firm concerned.

4.0 PLACING OF TECHNICAL SANCTION PROPOSALS FOR DRUGS & MEDICINES

4.1 The District Veterinary and Animal Husbandry Officers and those to whom the budget is allotted by the Head Office only will prepare the Technical Sanction proposals on various Rate Contract Firms for the requirements of all the institutions under appropriate Heads of Account in their respective jurisdiction. ***They should send their proposals to Director of Animal Husbandry for issue of Technical sanction in the Software prepared exclusively for indenting medicines along with hard copy duly signed by all the District Level Technical Committee members.***

4.2 ***All the pending bills should be cleared off before placing orders for fresh purchases, while seeking sanctions for fresh purchases the officers shall enclose a no pending bills certificate to the proposals, failing which sanction will not be considered.***

5.0 PROPOSALS SEEKING SANCTIONS FOR THE EXPENDITURE:

5.1 Proposals for sanctions of expenditure of a particular year should be sent in the same financial year only.

5.2 Claims of the satisfactory supplies shall be cleared within 30 days from the date of supply.

5.3 All the pending bills should be cleared off in the same financial year and should not be carried forward for subsequent years.

- 5.4 Budget particulars with reference to financial amounts under the appropriate Head of account are to be specified. List of the Head of Account along with activity for which released shall be enclosed.
- 5.5 Source of purchase and the authority if any in special circumstances is to be specified.
- 5.6 Copies of the Invoices/Bills of purchases should reflect details of stocks supplied together with the rates approved, quantity and cost of Individual items and Total value of the Bill amount.
- 5.7 The stock entry certificate for every bill should be authenticated duly by the indenting officer.
- 5.8 All the Indenting officers and those to whom budget is allotted are requested ***to monitor the supplies and ensure that fresh stocks shall invariably be received against all indents. The expiry date for applicable items shall not be less than (12) months at the time of consignment. For such of those items whose shelf life is only one year, they should have at least 80% of the balance shelf life at the time of supply.***

In case of premature deterioration or any loss, free replacement shall be made by the firms. Every item shall be of good quality as per the approved medicine in all aspects and if ***any discrepancy in the quality, composition or the concentrations indicated against each of the approved item*** should be viewed seriously and the relevant batches liable to be rejected by the departmental officers concerned and a report should be sent to the Director of Animal Husbandry for taking suitable action against the supplying firm/stockiest.

- 5.9 Each and every batch of drugs received from the firm will be subjected to quality test. As soon as the supply is affected in the Drug Stores, the samples will be drawn by the department. Random samples in each batch will be taken and sent to the Government approved/empanelled analytical testing laboratories for their quality as per pharmacopoeia and other standards.
- 5.10 The Departmental Officers and other Institutions will make payment to the supplied items, only after receipt of standard item in satisfactory conditions **and the supplies will be deemed to be completed only upon receipt of the quality certificates from the certified laboratories.**
- 5.11 All the Indenting officers and those to whom budget is allotted should ensure that the supplied stocks shall be made indicating all labels on first hand fresh packing material / cartons and packing including labels

on Ampoules / Vials / Bottles packing with inscription in "**Red Print**" or "**Rubber Stamp**" as "**For Supply to Telangana State Government, Not for Sale**" as already indicated in Tender Conditions failing which the stock will be rejected by the indenting or receiving officer. Every product / item and the packed cartons should have Name of the supplier, Batch Number, Drug License number, manufacturing and expiry dates. Intra Venous fluids should be supplied under Form-Fill-Seal Technology (FFS Technology) in good quality polythene containers.

- 5.12 The principal firms are also advised to provide sufficient printed literature about their products to the receiving officers for field circulation to know details of products. Failure to supply the stocks as indicated above will be treated as non-compliance of indents and non-satisfactory supplies and action will be taken against the firm/stockiest, besides withholding the payments for the supplies made.
- 5.13 All the Indenting Officers should ensure that the supplies made by the firms are as per unit pack specifications mentioned in the Rate Contract, Secondly the container, capping and labeling etc of the products supplied must be in Conformity with the guidelines / provisions laid down in the relevant clauses /conditions of the Drugs and Cosmetics Act-1940 If the supply is received in damaged condition in respect of primary packing, it shall not be accepted. In case of any acceptable deficiencies or damages in the secondary or tertiary packing, marking and documentation, the supply will be accepted at the discretion of Director of Animal Husbandry (provided goods can be used safely) with a penalty of 2% on the total value of such goods.
- 5.14 If any product is declared to be Not of Standard Quality (NSQ) or expired or spurious or adulterated or mis-branded, such batch/batches will be deemed to be rejected and they will not be returned and no payment shall be payable for such drugs. If any product supplied by the firm is partially or wholly used or consumed after supply and is subsequently found to be not as per specifications, unsound, inferior in quality or description or tampered labels or expired or otherwise faulty or unfit for consumption, then the cost of such Drugs will be recovered from the firm if the payment had already been made, shall render the relevant batches liable to be rejected and no payment shall be payable for such supply. If the samples do not conform to statutory standards, the bidder will be also liable for action under the relevant existing laws in addition to action as per bid conditions. Sub-standard goods shall not be returned and such goods shall be destroyed by Director of Animal Husbandry at the cost of the bidder. The bidder should clearly understand that the decision of the DAH, TS, Hyderabad or any officer authorized by him to assess the quality of the supplied drugs, medicines etc., shall be final and binding.

5.15 **All the Indenting Officers and Budget operating officers are requested to make the payments to the supplies made by the approved firms after duly obtaining administrative sanction from Head Office and analytical reports of the products from the approved Laboratories.**

6.0: CERTAIN DOs, DO NOT'S AND SUGESSTIONS:

6.1 The assessment of their requirements can be well planned, the estimates are pooled up from the Veterinary Assistant Surgeons at the beginning of the year i.e., April month it self, by convening a meeting with all the Veterinary Assistant Surgeons in their District.

6.2 No indents shall be placed by the Veterinary Assistant Surgeons on the Rate Contract firms by themselves unless it is specifically advised.

6.3 The items approved in favour of a particular Rate Contract firm/Firms should not be purchased from other firm even though the later supplies at the same rate.

6.4 No local purchases of Drugs shall be made either from the manufacturer or their stockiest without Rate Contract. If any items are to be purchased, the purchasing officers should obtain necessary permission from the Director of Animal Husbandry, Telangana, Hyderabad.

6.5 In certain emergencies, if the purchases are made outside the financial powers of the subordinate officers, the action of the officers in having effected the purchases should be got ratified from the Director of Animal Husbandry, Telangana, Hyderabad within 10 days from the date of placing indent.

6.6 Indenting of medicines over and above the budget provision every year and incurring the expenditure in subsequent years for settlement or bills should be avoided.

6.7 The practice of placing number of indents by splitting the purchases on the same firms for same item on the same day during the financial year so as to bring the purchases with in their financial powers avoiding the sanctions of higher authorities and to avoid lapse of funds should be desisted forthwith.

6.8 All indenting officers and budget operating authorities shall invariably send the certificates of satisfactory performance of rate contract firms for a particular financial year during August of succeeding year, so that the same will be examined for finalization of tenders in ensuing year and also enable this office to release / with hold their security deposits.

6.9 The Technical sanction proposals should be submitted well in advance along with the minutes of the District level Technical Committee in original or attested copies of the minutes duly counter signed by the

DVAHOs / Unit officers. The District Technical Committee Chairman will be DVAHO / Deputy Director (AH), SLBP / Deputy Director (AH), VPC and the Assistant Director o/o DVAHO, Assistant Director, ADDL, 1 Assistant Director, Veterinary Hospital, 3 subject matter specialists and 3 VAS from the District shall be the members of the committee

- 7.0 All the DVAHOs shall invariably send Drugs for analysis, through their respective Drug Inspectors every quarter before distribution to the field without fail and intimate the details to the Head Office properly.
- 7.1 All the officers i/c District Stores / Divisional Stores / any stores shall maintain particulars of the items received to the stores and distribution statements only in the registers but not on loose papers.
- 7.2 The officers will be held personally responsible for any deviations adopted by them and they will be answerable for payments, commitments or deviations made against rules, guidelines and procedure enlisted from time to time.
- 7.3 Further, they are hereby strictly advised to adhere to the above guidelines and any deviation in this regard will be viewed seriously and an appropriate action will be initiated against the defaulters. The receipt of this order is to be acknowledged promptly. The receipt of the circular should be acknowledged and the contents should be brought to the knowledge of their subordinate staff.
